This program is the solution for families who want the benefits of private tutoring with a highly trained reading specialist, but in a convenient “10 week package”.

- **Shorter commitment**  
You usually work with a private tutor for one school year. Boot Camp has been structured to improve reading in just 2 hours a week for 10 weeks, and is a great chance to try before committing to a year!
- **Affordable**  
2 weekly, hour-long sessions for less than the cost of one weekly private tutoring session with a reading specialist.
- **Laser focus on the best strategies**  
This isn’t “fluff”...I am a reading specialist and will be using the *most impactful strategies* to help your child turn their brain into a rapid reading machine!
- **Your child will have strategies to use in any class with ANY book...these skills will be used for years!**
